IMPORTANT – EXHIBITORS' MEETING

Monday, June 3rd at 9:30 a.m. on the covered arena concourse near the in-gate.

To ensure that the show runs smoothly and that everyone is aware of any modifications or changes, we request that all handlers and owners attend the Monday morning meeting, at which time any questions or concerns will be addressed and new procedures clarified.

JUDGING CHANGES

The 2013 Egyptian Event will be judged in its entirety by a **panel of FIVE rotational judges**. Three will be judging halter, one will be monitoring for rule violations, and one will be sitting out at any given time. **The three EBC judges will also be drawn from this panel.** A single judge will continue to judge the performance classes.

JUDGING CATEGORIES AND CLASS CONDUCT

Classes using the Modified European Judging System will include a **seventh category: “Balance, Substance and Quality at the Walk.”** A full description of this category is included on our website in the *Members Only* section under *Standard of Excellence Preview*, Balance, Substance and Quality at the Walk.

PLEASE NOTE: classes using the Modified European Judging System will be conducted in a slightly different manner to accommodate the new category referenced above. **Check the Prize List and attend the Exhibitors Meeting for Owners and Handlers**, on Monday June 3rd at 9.30 a.m. at the in-gate.

In ALL halter classes, horses will enter the ring in age order, from oldest to youngest and will be judged IN THE ORDER THEY ENTER THE RING.

STALL ASSIGNMENTS
